14 April 2021, Singapore – Tuxedo Café & Patisserie presents a newly revamped menu, featuring an extensive selection of up to 20 new cakes and pastries for indulgence. Available from 21 April 2021, look forward to familiar favourites and fresh creations handmade daily by the team of in-house pastry chefs.

The new menu selection has been thoughtfully crafted to introduce a variety of distinctive flavours for the discerning palette. Delight in the new *Charcoal Burnt Cheese Bacon Quiche*, *Matcha Lava Bun*, *Anchovies Garlic & Cheese Loaf*, *Key Lime Tart*, *Yuzu Pineapple Cake* and more. The pastry team continues to serve a selection of impeccably made classic items such as the light and flaky *Croissants* and not forgetting Tuxedo's signature specialty, *Carlton Chicken Pie*. Please refer to Appendix A for the full selection of the new items and prices.

Carlton Chicken Pie | Signature!

The signature *Carlton Chicken Pie* is back to take centre stage at Tuxedo. Enclosed within its buttery golden crust is a creamy medley of tender chicken cubes, carrots, potatoes and onion.

Matcha Lava Bun | New!

Expect a varied texture profile with the new *Matcha Lava Bun* - crunch from the crystallised sugared top, airy matcha-flavoured bun and silky smooth matcha cream with flavours of adzuki bean peeking through.

Key Lime Tart | New!

Perfect for those who prefers a refreshing treat, Tuxedo's *Key Lime Tart* is made with lime curd, light vanilla chantilly cream supported by a crumbly biscuit base, and topped with a sweet mango pudding.

Yuzu Pineapple Cake | New!

The *Yuzu Pineapple Cake* is a dainty treat that adds a splash of colours to your day. The combination of pineapple bits, pineapple and yuzu purée offers a tangy flavor that is light on the palette.

Hazelnut Chocolate Eclair | New!

The new *Hazelnut Chocolate Eclair* is Tuxedo's take on classic Chocolate Éclairs. Made with royaltine flakes that make the crunchy base, the light chocolate cream is generously layered on and topped with whole caramelised Hazelnut for that added crunch.
